REFRESH

Take something back from those who would oppress you.

ABILITIES

LEAD FROM THE FRONT. When you have 6 or more stress in Shadow, gain mastery on all actions.
DRAW A CROWD. Once per session, you can draw a crowd to you in a matter of minutes. People will stop what they're doing, so long as it isn't life-or-death, and listen to what you have to say.

ALWAYS OUTNUMBERED, NEVER OUT RUN. Gain the Pursue skill. When you flee a superior force, you do so with mastery.

FORCE OF PERSONALITY. Gain the Deceive skill. Once per session, declare you possess a Domain or Skill that you don't actually have – you are treated as having access to it until the end of the situation.

BONDS

Father Patrick Bellegarde runs a soup kitchen and temple in the Mezzanine. Wants to fight for the students, but has no resources to even feed them. He helps how he can

George Danton is a fiery student who believes in bloody revolution and deposing institutional forces. Just a kid though. Ready for action.
