Get violent in front of a crowd, or have them chant your name after a glorious victory.

Someone feels deeply moved when they witness your art.

ABILITIES

FAN FAVORITE- Once per session you may declare that someone recognizes you from your halcyon days competing. Who it is is up to the DM, but you have instant name recognition. Maybe they're a fan, or a fan of a rival team, or a former athlete, but one way or another there's an instant bond... of some kind.

LIFE AND SOUL OF THE PARTY. Once per session, so long as there are people nearby and a place to have it, you can create an instant party. The party gives you mastery to persuade, deceive, or distract.

GLAMOUR. Choose an NPC. Using a cocktail of charm, practiced poise and semi-legal black magic, you change your appearance to represent their ideal partner.

CENTRE OF ATTENTION. Gain +1 Reputation. Roll with mastery when you attempt to get everyone in a situation to focus on you and you alone. In addition, describe three incredible outfits that you now own.

BONDS

Noe Gruet, Kelly Silversong and Jessica Thompson are your biggest fans and *all* super excited for the newest production of "The Killer of Rue Claert"
